

## ABOUT JJ BENDER LLC

JJ Bender has over 35 years experience as a market leader in the office automation equipment industry and specializes in digital press and high-volume printing equipment.

Whether you are a large operation, small store, or start-up venture, JJ Bender draws on their expertise in printing equipment to help clients meet their individualized needs.

## MESSAGE FROM THE PRESIDENT

Dear Prospective Customers,

I love a challenge. It's the reason I founded JJ Bender more than 35 years ago, and it's the reason that we're still one of the industry's leaders today.

I have always sought to provide my customers with solutions that are right for them. Whether you're buying, selling, renting, leasing, or just have questions you need answered, our professional staff is the most experienced in the industry and they will treat you with respect.

Whatever your equipment needs, JJ Bender will give you a deal that's more simple and affordable than you imagined.

Just remember, there is NO Mr. Xerox, but there is a Mr. Bender!

Sincerely,  
Jeffrey B. Bender

## EXPAND YOUR BUSINESS + INCREASE PROFITABILITY

*JJ Bender provides digital print solutions with exclusive focus on the commercial print industry so your business can stay competitive and operate more efficiently.*

With no obligations to outside manufacturers, JJ Bender offers the printing industry a unique experience where you have the freedom to explore multiple brands and ultimately choose the equipment that works best for your business. Some of the high-volume brands that JJ Bender specializes in are:

*HP Indigo  
Xerox iGen  
Xerox DocuColor/DocuTech/DocuPrint  
Xerox Nuvera  
Canon imagePress/imageRunner  
Kodak DigiMaster/NexPress  
Konica Minolta BizHub  
Oce VarioPrint*

## FEEL CONFIDENT WITH YOUR PURCHASE

With today's economy, buying a used machine is one of the easiest ways to save money. JJ Bender understands the importance of feeling confident with a purchase, and that's why JJ Bender offers many flexible options so you never have to take a chance when investing in a used piece of printing equipment.

All of our machines are used, tested, and functioning, and we even offer the option of having a machine fully refurbished. Unlike other dealers, our equipment testing and repairs happen on-site with our own trusted technicians.

## OPERATE MORE EFFICIENTLY + EXPLORE NEW MARKETS

### Self-Service Your Equipment

JJ Bender's Parts & Supplies Department offers quality parts and supplies from a number of manufacturers including new OEM copier parts, third party copier parts, used Xerox copier parts, and refurbished copier parts. To place an order or to learn more on how you can increase the life of your current equipment, call 203-336-4034 and ask to speak with our Parts & Supplies Department.

### Wholesale Your Older Equipment

Getting rid of older copier and printing equipment can help cut expenses for acquiring new equipment, and also increase your floor space. JJ Bender buys almost any brand of copier, from entire fleets to just one machine at a time. To send JJ Bender a machine or list of equipment you would like to sell, please call or email [mail@jjbender.com](mailto:mail@jjbender.com).

## STAY COMPETITIVE

Whether you're looking to buy, sell, rent, or lease, our sales agents are available by phone to help walk you through the process of deciding which machines will help your business increase its revenue and stay competitive in today's market.

Call 800-367-9673 or email [mail@jjbender.com](mailto:mail@jjbender.com) to consult with a sales agent over the phone.

## SAVE MONEY

**Lease a Machine** - Our leasing company, Graphic Savings Group, specializes in printer leasing and financing solutions. GSG can generate custom leases tailored to your company's needs, or even buyout existing leases. Call and ask about our leasing today.

**Trade-In or Upgrade** - Whether you're an international copier dealer or a family owned print shop, JJ Bender can structure a trade-in program to fit your needs.

## MOVE FORWARD

At JJ Bender, our marketing team has a strong understanding of where the print industry is heading; this includes things such as e-commerce, social networking, and online visibility. We can walk you through how to market your high-volume equipment and services to a larger audience, so call us today to start expanding your business into the future of print!
